A Contemporary Custom Made Patinated Steel and Brass Desk

Price: \$17,500.00

Inventory Number: 658c

Product Summary

Height: 30"

Width: 56"

Depth: 27 7/8"

Inspired by the 1940s designs of Jacques Quinet, the rectangular top with leather inlaid over two drawers with brass drawer pulls. The desk supported on four triangular form legs headed by brass rectangles on the corners and ending in

square feet. Shown in statuary bronze finish and black leather. Can be made to size and finish with choice of leather or stone. Available in statuary bronze, pewter, and gold.

Handmade in Dumbo, Brooklyn by metalsmith John McDevitt.
